boards, committees,
and organizations

Our Garner Market President, Kent Thoe, presents a check to Garner-Hayfield-Ventura Schools Superintendent, Ken Casper, in support of the Teacher Grant Program, which funds specific projects and provides additional resources that directly benefit students.

A MESSAGE FROM OUR PRESIDENT

Dear Friends of Reliance State Bank,

Since our founding in 1928, Reliance State Bank has proudly served as a trusted community bank, dedicated to the people and businesses in the communities we call home. For nearly a century, we have exemplified community banking through reliable service, thoughtful investment, and a steadfast commitment to the communities we serve.

Our dedication to community impact is reflected in everything we do. We strive to inspire positive action and social responsibility by encouraging volunteerism and civic leadership, supporting strong financial outcomes for individuals, families, and businesses, and fostering philanthropic partnerships that help our communities grow and thrive.

Service takes many forms at Reliance State Bank. Each year, we allocate a portion of our earnings to charitable contributions and local sponsorships. Just as importantly, we encourage our employees to give back through volunteerism and active community involvement. We also believe that exceptional service begins with relationships, taking the time to understand your goals and providing personalized financial solutions to meet your unique needs.

Being a community bank is more than a slogan; it is our purpose. We are deeply committed to serving as your local banking partner, and we believe our contributions of time, resources, and personalized service make a meaningful difference. It is an honor to support the communities that have placed their trust in us for generations.

With gratitude,
Rick Schreier
